## Fighter Uniform

Keep your cool in the heart of the competition

The product of years of research and development, this uniform features adidas' ClimaCool®™ technology to help you manage the heat and moisture that can lead to decrease athletic performance.

For added comfort, the fabric on the inside of the uniform is embossed so the garment won't stick to your skin when you sweat.

Rugged and ready for competition, this all-new uniform is designed to keep you comfortable.

Material: Polyester 100%

3 Stripes optional on both upper and pants.

ClimaCool® fabric wicks heat and moisture away from the skin for greater comfort Embossed "Bio" fabric treatment greatly reduces bacterial build-up and odor Fighter patch sewn on the sleeves for a cool new look.

## W8 Wrestling Suit

You train like an Olympian, now you can look and feel like one.

This is the original outfit developed for the Olympic Games in Athens.

Its soft, lightweight Climalite® material sweeps heat and sweat away from your body to keep you dry and comfortable.

It has an anatomical cut with flatlock seams giving it an athletic fit, as well as total range of motion.

And of course, it has the adidas 3-Stripes along the sides for that classic athletic look.
