## TechFit ClimaCool® Seamless

Developed for the best athletes in the world, adidas TechFit is a range of performance apparel, designed to be stronger, be faster and stay cooler. Lightweight and designed to be superior, adidas TechFit ClimaCool® Seamless is engineered to give you ultimate power, quickness and freshness.

## Compression

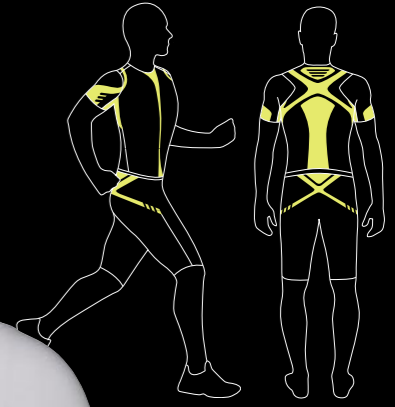

Fitting against your skin, adidas TechFit compression gives you better awareness of your body movement, which means more control.

## Seamless

Tubular knit construction instead of irritating seams means you stay comfortable and stay focused.

## ClimaCool®

ClimaCool® technology keeps you cooler longer. This specifically placed ventilation system ensures you keep your cool no matter what.

# TECH FIT MEN/WOMEN

A combination of performance fabrics, open mesh and ventilation channels keep cool air flowing in and heat and sweat flowing out. You stay dry, comfortable and performing at your peak in even the most heated competition. With ClimaCool® equipped apparel you can ignore the heat and keep your focus right where it needs to be: on the road, track, field or finish line ahead.

## Tech Fit Seamless ClimaCool® Short Sleeve Tee

Super lightweight, tight fitting and highly functional short sleeve shirt with additional support.

- Novel Techfit™ fabric construction for optimal muscle support during sport
